

ficha3_1.c

```
graph TD; A[ficha3_1.c] --> B[unistd.h]; A --> C[stdio.h];
```

A diagram illustrating the dependencies of the source file `ficha3_1.c`. The file `ficha3_1.c` is shown in a grey box at the top. Two blue arrows point downwards from it to two white boxes below: `unistd.h` on the left and `stdio.h` on the right. This indicates that `ficha3_1.c` includes or depends on these two header files.
